Onward and Upward Jim Neglia

For years, I have wanted to write a book about the relentless determination it takes to succeed in the arts. Whether as a young artist in New York City, as a music coordinator of a Broadway musical, or as a musician traveling through Europe, I will share with you excitement, acclaim, and culture. *Onward and Upward* is the true account of my pursuit of a dream; a career in music. In this around-the-world journey, I share my stories of culture, family, laughter, friendship, wisdom, and heartache, with a generous splash of the likes of Strauss, motorcycle chases, and Hollywood. Any aspiring artist, would-be world traveler, or entrepreneur, will benefit from reading this book. Learn from another's experience about dedication, passion, and culture. Partly by means of behind-the-scene memoirs, partly by means of journal entries, we will walk hand in hand on this most extraordinary journey through a life in the arts.
