The Irony of Sex and Love

Katherine Poole

The Irony of Sex and Love Katherine Poole

"Beginning in the recent past and drifting back to chronicle her history...a thrilling, intimate look into another person's heart... just a little too real." - Kirkus Indie A young woman faces the emotionally broken pieces of her past and present life. She has kept diaries throughout her teenage years and decides that one thing she needs to do in order to make the most out of her life is to dig back into all those pages that are much forgotten and hidden inside her heart with her deepest secrets. At the same time she closely analyzes with raw honesty the dynamics of relationships and love in the modern world of a young adult. She reveals the truth about paradoxical emotions and situations that occur when the line between right and wrong, bad and good, is a tangled mess in the irony of sex and love.
