The Mahabharata

C Rajagopalachari

The Mahabharata C Rajagopalachari

The complete epic of The Mahabharata by C. Rajagopalachari, presented in a single edition.

A long time ago, two families were to inherit a vast kingdom known as the Kuru Empire. The five sons of Pandu, called the Pandavas, were brave warriors, each of them born with divine blood running through their veins. They were virtuous, examples of humanity at its peak. They were endowed with wisdom, patience, strength, knowledge and compassion. Their cousins, the hundred sons of Dhritarashtra, were called the Kauravas. The Kauravas were greedy, always hankering after more wealth. Since neither Pandu nor Dhritarashtra were suited to reign over the kingdom, the throne had to be equally divided between these two families. However, the Kauravas cheated the Pandavas out of their share and drove them into a long exile. They constantly try to kill them throughout their exile, but the Pandavas persist. At long last, they return to claim their rightful inheritance, but the Kauravas are not ready to part with even a portion of the kingdom. With the stage set, the Pandavas and the Kauravas meet in an epic battle on a field which had already been washed several times over with the blood of warriors. On Kurukshetra, they would fight a mighty war which would leave both sides crippled. And on this battlefield, the Blue God, Krishna, explains the righteous duty the Pandavas have to fulfill by exterminating their vile cousins. This is a story of love, avarice, wisdom, patience and respect for one's fellow man. Every known moral lies hidden in the Mahabharata, and it is for this reason that it is considered one of the greatest stories ever composed.

C. Rajagopalachari was an Indian lawyer, independence activists, politician, writer and statesman. He was the last Governor General of India and has served as leader of the Indian National Congress, Premier of the Madras Presidency and Governor of West Bengal.

From reader reviews:

Diane Numbers:

Here thing why that The Mahabharata are different and reputable to be yours. First of all reading through a book is good but it depends in the content from it which is the content is as delightful as food or not. The Mahabharata giving you information deeper including different ways, you can find any book out there but there is no e-book that similar with The Mahabharata. It gives you thrill studying journey, its open up your own eyes about the thing in which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in park, café, or even in your approach home by train. If you are having difficulties in bringing the published book maybe the form of The Mahabharata in e-book can be your option.

Patricia Welling:

A lot of people always spent their particular free time to vacation or even go to the outside with them loved ones or their friend. Do you know? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity that is look different you can read a book. It is really fun to suit your needs. If you enjoy the book that you read you can spent 24 hours a day to reading a e-book. The book The Mahabharata it is rather good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. If you did not have enough space to bring this book you can buy the e-book. You can m0ore easily to read this book from your smart phone. The price is not to cover but this book offers high quality.

Johnny Cahill:

In this era which is the greater particular person or who has ability in doing something more are more valuable than other. Do you want to become one of it? It is just simple strategy to have that. What you need to do is just spending your time little but quite enough to get a look at some books. On the list of books in the top list in your reading list will be The Mahabharata. This book and that is qualified as The Hungry Slopes can get you closer in becoming precious person. By looking right up and review this e-book you can get many advantages.

Martina Lassiter:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this The Mahabharata can make you truly feel more interested to read.
