The Wronged Sons John Marris

Synopsis: What would you do if the person you loved suddenly vanished into thin air?

Catherine's cosy life as a housewife and mum-of-three is quickly thrown into disarray when husband Simon disappears without explanation.

She is convinced he hasn't left by choice as confusion and spiraling debts threaten to tear her family apart.

Meanwhile Simon has begun a carefree new life travelling the world. And he's determined not to disclose his past to all he meets, even if it means resorting to extreme and violent measures.

But why did he leave?

Catherine only gets her answer 25 years later when Simon suddenly reappears on her doorstep.

During their furious final confrontation, they discover the secrets, lies and misunderstandings that tore them apart, then brought them face-to-face one last time.
