Monica Murphy

**Four Years Later: A Novel (One Week Girlfriend Quartet)** Monica Murphy

**Bestselling author Monica Murphy winds up her sensational series with this sexy story of two college kids with nothing in common but a bunch of baggage and a burning attraction.**

*Over.* That about sums up everything in my life. Suspended from my college football team and forced to cut back my hours at The District bar because of my crappy grades, I can't keep turning to my sister, Fable, and her pro-football playing husband, Drew, to bail me out. I just can't seem to find my own way. Weed and sex are irresistible temptations—and it's messed up that I secretly hand over money to our junkie mom. A tutor is the last thing I want right now—until I get a look at her.

Chelsea is not my type at all. She's smart and totally shy. I'm pretty sure she's even a virgin. But when she gives me the once over with those piercing blue eyes, I'm *really* over. But in a different way. I won't deny her ass is killer, but it's her brain and the way she seems to crave love—like no one's ever given her any—that make me want her more than any girl I've ever met. But what would someone as seemingly together as her ever see in a screwed up guy like me?

## **Praise for *Four Years Later***

“Another great entry into the series and a perfect way to close out what started with *One Week Girlfriend*. As always, Monica Murphy gives us such great characters, giving them such depth and emotions that it's hard not to love them from the minute you meet them on the page.”—*Cocktails and Books*

“An engaging, heavily character-driven new adult [novel] that brings us the story of a much beloved character. Seamless writing flows effortlessly as Murphy sets up the plot elements and begins her story of love, loss, redemption, and forgiveness. . . . *Four Years Later* was a delight to read.”—*Smexy Books*

“Monica Murphy has created an unforgettable series. Her writing is honest, gritty, romantic and entertaining. Her characters are very real people that readers can relate to. We embrace them in our hearts. Their lives and stories will stay with [us] long after the book is finished. It is no wonder that this series is an all-time favorite. . . . The *One Week Girlfriend* series has been an amazing reading journey that has touched my heart.”—*Hesperia Loves Books*

“Emotional and gratifying . . . This romance was full of tension and longing! . . . Monica Murphy has another win with *Four Years Later*. Owen and Chelsea's story was touching and passionate, and is sure to make you sigh in contentment by the end.”—*Waves of Fiction*

“What a fantastic ending to an amazing series! . . . It took my emotions on a roller coaster ride but hey, all the good books do! . . . Four books and I still want more! I'm not quite sure I could ever get enough of these characters. They're all complex, and beautifully broken in their own ways. Combine that with Monica Murphy's fantastic writing skills and you always have a winner.”—*Down the Rabbit Hole*

“It's official! When it comes to NA romances and inner monologues, Monica Murphy is a queen! . . . I highly recommend *Four Years Later*! If you read the earlier books then you just have to get this one too. It was wonderful to see how the earlier couples are faring . . . but Monica Murphy had truly made this Owen's

book. I love it!”—*In My Room Reading*
