Game on Boys is a hilarious adventure story for boys and girls that will get you laughing hysterically until your guts explode. Just make sure your Mom doesn't have to clean it up and keep the dog away.

Rino James is addicted to Minecraft, PlayStation and anything that looks like a computer game. He goes to a cool school, has a cool teacher and a very uncool sister who does everything in her pink power to ruin his fun.

When Ryan's teacher, with the very unfortunate name of Mr Higginbottom introduces a Play Station competition at school, everyone in the fifth grade goes into a crazy frenzy as they battle their way to win the prize. With Ryan's cool gaming record he's a sure fire thing to win until something disastrously ugly happens to cause his plans of victory to come tumbling to the ground faster than super sonic radar doing a bungee jump with a triple somersault back flip on the way. SPLAT !!%**\$

Will it all end badly, and will Ryan's reputation change from being the coolest gamer to the biggest loser wearing splatted egg on his face, or can super dooper good things come out of really horrid bad things?

With heaps of school yard humor and funny illustrations, this book is sure to get you away from your consoles for awhile.

Anyone who loves computer games and loves 'Wimpy kid' books will enjoy this hilarious, action filled adventure.

Look out for 'Game on Boys 2 : Minecraft Madness', out now and 'Game on Boys 3 : No Girls Allowed' coming soon.
