One Foot in the Grave Peter Dickinson

CWA Gold Dagger winner Peter Dickinson is back: Now-retired Scotland Yard superintendent James Pibble isn't about to go quietly into the night—not when there's a murder case or two (or three) to solve

At Flycatchers, a well-to-do nursing home watched over by no-nonsense nurse Jenny, one-time detective James Pibble shuttles between his nothing-to-live-for present and memories of the crimes he's solved—or failed to. He's roused from his listless existence when he discovers a dead body on top of the water tower.

Security guard George Tosca isn't the only one at Flycatchers who has met his maker a bit too abruptly. There have been other suspicious deaths in the last three years, including those of military man Sir Archibald Gunter and Bertie Foster-Banks, an inveterate gambler and shareholder in the home. The arrival of a woman in black sets off a sinister chain of events, and before he knows it, Pibble is on the case.

As he travels down a twisting path of blackmail and escalating violence, Pibble finds that his life is suddenly filled with purpose again. He will bring a cunning killer to justice—or die trying. But the real reason he went up to the tower on that stormy winter night is linked to a secret he'll carry to his grave.

From reader reviews:

Robert Black:

In this 21st century, people become competitive in each and every way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of the actual crowded place and notice through surrounding. One thing that sometimes many people have underestimated it for a while is reading. That's why, by reading a reserve your ability to survive raise then having chance to remain than other is high. To suit your needs who want to start reading any book, we give you this One Foot in the Grave book as nice and daily reading book. Why, because this book is usually more than just a book.

Lenora Dryer:

Information is provisions for individuals to get better life, information these days can get by anyone on everywhere. The information can be a knowledge or any news even an issue. What people must be consider if those information which is inside the former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you find the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take One Foot in the Grave as your daily resource information.

Alice Rodriguez:

It is possible to spend your free time to study this book this book. This One Foot in the Grave is simple to deliver you can read it in the park, in the beach, train and soon. If you did not include much space to bring the printed book, you can buy the e-book. It is make you much easier to read it. You can save the particular book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Vincent Humphreys:

What is your hobby? Have you heard that will question when you got college students? We believe that that issue was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. So you know that little person including reading or as looking at become their hobby. You need to know that reading is very important in addition to book as to be the thing. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You will find good news or update regarding something by book. Many kinds of books that can you take to be your object. One of them are these claims One Foot in the Grave.
