# Easy Street (the Hard Way): A Memoir

Ron Perlman

**Easy Street (the Hard Way): A Memoir** Ron Perlman

**The engaging, passionate, always-honest, and often-hilarious memoir of actor Ron Perlman—his triumphant story of perseverance and determination navigating the slippery slopes of Hollywood, with a foreword by Guillermo del Toro**

Ron Perlman was a kid who had a myriad of self-image issues, yet he triumphed in an industry that trades on image and self-confidence. He landed a leading role in *Quest for Fire*. He won a Golden Globe for *Beauty and the Beast*. And he played the title role in two *Hellboy* movies, becoming along the way an icon among sci-fi and comic book fans worldwide.

Although his name may be unknown to some, most people know Ron Perlman's face, despite the fact that for nearly half his career he's been disguised under feature-altering foam-rubber prosthetics. On his offbeat path to success, Ron has amassed nearly 200 stage, TV, voiceover, and major motion picture credits, including roles in *Drive*, *Pacific Rim*, and a six-year gig as the badass biker boss Clay Morrow in *Sons of Anarchy*.

In *Easy Street (the Hard Way)*, Ron shares his life story, starting with his up-by-your-bootstraps background in New York's Washington Heights. His father, a Swing Era drummer, gave up his dream in order to feed his sons while his mother worked as a municipal clerk. Ron's hard-earned road to Easy Street included bouts of abject poverty, heartbreaking familial episodes, and a long, often uncomfortable struggle for self-acceptance.

He sheds light on his life as a working actor and also offers behind-the-scenes insight into the working styles of internationally famous directors, including Jean-Jacques Annaud, Jean-Pierre Jeunet, and Guillermo del Toro (*Hellboy* and Academy Award-winning *Pan's Labyrinth*). He provides his own peek into Hollywood, up close and personal, where he has encountered the likes of Marlon Brando, Sean Connery, Frank Sinatra, Sammy Davis, Jr., and others. Plus, he turns his eye on the trajectory of American culture—the good and the bad—as observed by a man who started out in a mom-and-pop world where the arts were disseminated by individuals rather than corporations.

*Easy Street (the Hard Way)* will inspire anyone who has ever dared to dream and offers a roadmap to the next generation of dreamers.

#### **Ruth Goodrich:**

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Easy Street (the Hard Way): A Memoir can make you sense more interested to read.
