Let Me Count the Ways: Discovering Great Sex Without Intercourse

Marty Klein, Riki Robbins

Let Me Count the Ways: Discovering Great Sex Without Intercourse Marty Klein, Riki Robbins

In this book, two of America's leading sex and gender experts show readers how to make sex more enjoyable by breaking away from the repetitive mechanics of intercourse. The book describes a path toward more a varied, playful, and intimate sexuality, debunking myths such as "impotence," "frigidity," and "foreplay;" indeed, the book shatters the myth that intercourse equals sex itself.

"Let Me Count The Ways":

- * defines "outercourse", shows why it is a valuable addition to peoples' sexual vocabulary, and explains how readers can maximize their comfort and pleasure with it.
- * shows how individuals and couples can increase their body's erotic functioning, and increase sexual satisfaction;
- * includes dozens of ideas and exercises--such as an "intercourse sabbatical"--which will help partners relax, take advantage of a wide range of enjoyable sexual activities, and communicate about their concerns; and
- * discusses how to break free from sexual stereotypes of the media, medical profession, and psychological profession, and overcome the idea that intercourse is a "normal" and necessary part of every sexual encounter.

More than a self-help book, this is an innovative, practical, tested program that will change the way that readers look at their sexuality--forever.
