### **There's a storm coming...**

When Nina O'Brien returns to the small town of Mistake Creek after ten years, she's in a race against time to protect her father's business from an incoming storm so it can be sold to pay for his urgent medical treatment.

As flood warnings echo over the radio and the storm breaks with enormous force across the tiny Californian community, Nina is joined by others seeking shelter from the onslaught.

### **Her life is changed forever when a stranger appears at her door, bloodied and incoherent.**

With a ruthless killer exposed among the small group, Nina is thrust into a deadly conspiracy involving a military veteran seeking revenge and an FBI agent desperate to prevent a catastrophic terrorism threat.

Alone, with no means to raise the alarm, Nina realises that to save one man, she must learn to trust another.
