Money, Trade, and Power : The Evolution of Colonial South Carolina's Plantation Society Jack P. Greene

Reflecting the burgeoning interest of colonial historians in South Carolina and its role as the economic and cultural center of the Lower South, *Money, Trade, and Power* is a comprehensive exploration of the colony's slave system, economy, and complex social and cultural life. The first six chapters of this essay collection focus on the formative decades of South Carolina's history, from 1670 through the 1730s. Contributors Meaghan N. Duff, Bertrand Van Ruymbeke, and Gary L. Hewitt explore the colony's early settlement. R. C. Nash, Stephen G. Hardy, and Eirlys M. Barker investigate the rapidly expanding economy. Turning to the colony's reliance on slave labor, William L. Ramsay analyzes the institution and abandonment of Indian slavery; Jennifer Lyle Morgan examines the reproductive capabilities of slave women; and S. Max Edelson looks at the distinctive social position of skilled slaves. Robert Olwell considers how South Carolina public officials adapted the office of justice of the peace to the needs of a slave society, while Matthew Mulcahy shows how calamities of fires and hurricanes exacerbated the problem of slave control. Finally, Edward Pearson describes the ways in which South Carolina's emerging elite asserted their new status; G. Winston Lane and Elizabeth M. Pruden review the surprising economic independence of women; and Thomas Little examines the colony's religious life and spread of evangelicalism.

Gloria Quinones:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Money, Trade, and Power : The Evolution of Colonial South Carolina's Plantation Society can make you really feel more interested to read.
