Their lives are based on the principle of survival of the fittest. She suddenly sees a way to escape from her brutal life to Benjamin's world knowing that if she doesn't she will fall prey to the others in her world.

Using people as her disposable tools, she manages to find the passage to the other world. As she sets foot in this new place, she is partially overwhelmed by its insistence on rules of order. After coming from a society of absolute freedom, she wonders if she will fit...and even more so, survive in this new place, which she discovers is led by women.

Watch as she uses the strength of having no emotions to exploits the weaknesses of this new world. She came here to escape death, but now it is a tool she employs for gain. Will she succeed or will she fail as the new world waits on the brink of the Eve of Destruction.
