The Please Me Series Season 1: BDSM Billionaire Erotica Samantha Riley

I've had a rough life.

After a bout with addiction, I'm homeless and living on the streets of Venice Beach.

Then this rich guy strolls into my life. He's got this devilish smirk and a body like he's been playing soccer all his life. And people respect him so much they cower in his presence.

Now his attention is on *me*. He tells me that if I can pass a series of tests, then there'll be a big prize waiting at the end.

But he won't tell me what the prize is. All I know is that passing these tests involve me getting involved with men. **A lot of men. Like some sex reality show.**

It's not an offer I can't refuse, but what have I got to lose? If there's even the slightest chance he'll pull me out of poverty, I'll do whatever he wants.
