Bourbon & Blood: A Crime Fiction Thriller (Bill Conlin: Action & Suspense) (Volume 1) Garrard Hayes

In the tradition of action & adventure, noir thrillers, comes a crime fiction story about an otherwise good guy "bent" bad when he's pulled into the underbelly of the New York City crime scene.

Drugs, white slavery, prostitution, murder... Former soldier and decorated war hero Bill Conlin finds himself immersed in it all when he can't find "respectable" work after his tour in Afghanistan. When his cousin, Jimmy, first tries to talk him into joining Irish mafia boss Frank Sullivan's gang, Bill brushes him off.

All Bill really wants is a normal life with a nice girl, and he's pretty sure the waitress he just met, Dana, is the one. But with his savings running low, and desperate to get out of his Hell's Kitchen near-tenement apartment building, Bill, against his better judgment, agrees to a meeting with Mr. Sullivan, an Irish Mob boss--and immediately hits the point of no return... Now with a brand new Lincoln and fancy new uptown digs (complete with a live-in girl whose only purpose is to serve him, and a wardrobe packed with weapons), Bill's tasked to take down a Harlem-based Mexican prostitution ring.

One thing leads to another, however, and the deeper he gets, the more he learns, and the more tangled up he becomes in a lifestyle he never wanted. But how long until he takes matters into his own hands... And what will the ultimate cost be...

Mystery & suspense lurk around every corner of this hard-boiled crime drama where mobsters shoot it out with urban gangs on the streets of New York City.
