## **Creamer's Guide To Picking Up Women** Creamer

A remedial guide for the chronically under-laid, with explorations of female psychology and potential exploits for those men who just don't understand the dating game.

Great for nerds, perpetual beta males, and pretty much any dude who laments for a lack of female companionship.

WARNING: This book is FOR MEN, and some of the text may seem slightly misogynistic, although that was not the intention. There are also some explicit language used.
