Introduction to Management Science with Student CD and Risk Solver Platform Access Card: A Modeling and Cases Studies Approach with Spreadsheets Frederick Hillier, Mark Hillier

The fifth edition text focuses on business situations, including prominent non-mathematical issues, the use spreadsheets, and involves model formulation and assessment more than model structuring. The text has three key elements: *modeling*, *case studies*, and *spreadsheets*. In addition to examples, nearly every chapter includes one or two case studies patterned after actual applications to convey the whole process of applying management science.
