Mosby's Textbook for the Home Care Aide, 1e Joan M. Birchenall RN MEd

This textbook follows the national HomeCaring Council's curriculum for home care aides. It clearly defines the role of the home care aide as a member of the professional home care team. The easy-to-read format includes numerous reality-based situations that will give the home care aide a true understanding of this challenging field. It includes chapters on anatomy and physiology; nutrition; infection control and Universal Precautions; clients requiring home care; illness and disease; and job skills. Key terms and other "need-to-know" information are provided in highlighted margin panels. Clear, step-by-step instructions are included with the procedures, and most are fully illustrated. It also includes all OBRA and OSHA regulations as they pertain to the home care aide.
