## **Perla (Vintage Contemporaries)** Carolina De Robertis

A coming-of-age story, based on a recent shocking chapter of Argentine history, about a young woman who makes a devastating discovery about her origins with the help of an enigmatic houseguest.

Perla Correa grew up a privileged only child in Buenos Aires, with a cold, polished mother and a straitlaced naval officer father, whose profession she learned early on not to disclose in a country still reeling from the abuses perpetrated by the deposed military dictatorship. Perla understands that her parents were on the wrong side of the conflict, but her love for her *papá* is unconditional. But when Perla is startled by an uninvited visitor, she begins a journey that will force her to confront the unease she has suppressed all her life, and to make a wrenching decision about who she is, and who she will become.
