Survival Guns

Mel Tappan

Survival Guns Mel Tappan

When he wrote **Survival Guns** in 1979, Mel Tappan demonstrated that having the right weapons for securing food and providing personal defense is the key to sustaining life on an independent basis, whether or not a catastrophe occurs. This is even more true today.

Survival Guns became the standard in its own time and went through several printings. When it finally went out of print, it graduated from a classic to a sought-after collector's item, because the principles and advice in this well-reasoned volume are sound and perennially valuable. Some new guns and some new calibers have become available since this book was first published, but its principles, advice, and value remain unchanged. Having more choices only increases the value of advice on how to choose what is best for you.

As used copies of this book became harder and harder to find, Paladin received numerous requests to bring Tappan's classic back into print. We are pleased to make the most well-known survival firearms book ever published available once more to a new generation of concerned citizens facing the same threats Tappan chronicled during his lifetime. **Survival Guns** remains the definitive book for anyone interested in the practical use of firearms and related weapons for defense, food gathering, and predator and pest control under conditions of long-term, self-sufficient living.

From reader reviews:

Marilyn Washington:

What do you ponder on book? It is just for students because they're still students or that for all people in the world, the actual best subject for that? Only you can be answered for that question above. Every person has several personality and hobby for each and every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book Survival Guns. All type of book is it possible to see on many methods. You can look for the internet resources or other social media.

Jenifer Bell:

This Survival Guns is great reserve for you because the content that is certainly full of information for you who all always deal with world and have to make decision every minute. This particular book reveal it details accurately using great organize word or we can claim no rambling sentences in it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but difficult core information with splendid delivering sentences. Having Survival Guns in your hand like getting the world in your arm, info in it is not ridiculous one. We can say that no reserve that offer you world with ten or fifteen minute right but this publication already do that. So , this is good reading book. Hey there Mr. and Mrs. occupied do you still doubt which?

Christi Shoup:

Reading a book to get new life style in this calendar year; every people loves to examine a book. When you learn a book you can get a great deal of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, these us novel, comics, and soon. The Survival Guns will give you new experience in examining a book.

Nicholas Thiede:

Reading a e-book make you to get more knowledge from it. You can take knowledge and information from your book. Book is prepared or printed or highlighted from each source that filled update of news. With this modern era like currently, many ways to get information are available for an individual. From media social just like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the Survival Guns when you needed it?
