Sociolinguistics: Method and Interpretation (Language in Society)

Lesley Milroy, Matthew Gordon

Sociolinguistics: Method and Interpretation (Language in Society) Lesley Milroy, Matthew Gordon
Sociolinguistics: Method and Interpretation presents a thorough and practical description of current sociolinguistic methodology while recognizing that methodological decisions can never be separated from questions of theory.

- Presents a thorough and practical description of current sociolinguistic methodology.
- Considers a range of issues including speaker selection, data collection, social considerations, phonological and syntactical variation, style-shifting and code-switching.
- Recognizes that methodological decisions can never be separated from questions of theory.
- Stresses the need for the entire research process from the initial design of the project to the interpretation of results to be grounded in theoretically defensible positions.
- Shows how the research paradigm established by a few influential pioneers has been fruitfully expanded by exciting new trends.
