Teaching Elementary Information Literacy Skills with the Big6(TM) (Big6 Information Literacy Skills) Joyce Needham

This book is a terrific new addition to the Big6 line! Rich with ideas and applications, this volume is a comprehensive guide for using the Big6 in elementary schools.

- This current, up-to-date resource has everything needed to apply the Big6 to the elementary curriculum
- Includes strategies and lessons never published before
- Learn how the Big6 coordinates with reader's and writer's workshops

Written by a Big6 practitioner and trainer, the book includes strategies and lessons not included in other Big6 books. It is designed to provide a roadmap for both teachers who are just learning to apply the Big6 strategies to veteran Big6 users. Use the book to make the information literacy process meaningful and exciting to all elementary students and watch students learn to solve real life problems.
