Ten News Stories Showing Satanism is a Real Problem in America (The Ten Series Book 1) Robbie Newport

This books shows the horribly negative influence Satanism is having in America. Looking into ten news stories involving satanism in America from 1995 to the present (2014), this books shows Satanism is far from the benign belief - the deceptive modern satanist (like the Satanic Temple) want us to believe it is.

These ten stories prove that in reality, Satanism is a vile, perverse, and very destructive influence at every level. Also, they show this great evil is the central theme of our mainstream culture in America, and is being promoted and accepted by our top leadership, including the White House.

Explore this topic with me, and see for yourself how the youth of America are being influenced to do unspeakable evil satanic crimes. See the correlation between the promotion of Satanism from famous cultural icons, and the blood and gut tragedies involving murder, rape, torture, and unimaginable wickedness - from seemingly normal people who practiced Satanism.

Gain the insight and knowledge needed to remove yourself and family from this satanic mainstream culture in America, and come to know Jesus Christ as your Lord and Savior. For in reality, this is ultimately a spiritual battle against Satan and the one and only God of the Holy Bible.
