Combine your love for cross stitch with an enjoyment of lovely gardens. These designs draw upon garden delights throughout the season, from bright spring-flowering anemones to heady summer roses, and from a rich autumn harvest of fruits and berries to delicate winter garlands. The designs are imaginatively crafted so you can use them in a variety of projects, ranging from pillows, cushions, scented sachets, and table linens to borders for gift cards, picture frames, and bath and bed linens. Breathtaking full-color, full-page photographs display the projects for each season in appropriate settings. Charted motifs mark each main design theme, and detailed instructions accompany each project with color charts and diagrams taking you through every step.
