"Kyle Carter knew every inch of my body. Every fraction of my soul. He was the first man I'd ever been with intimately. The first to break my heart. The first to put it back together again. He was my first, my last and my everything that came in between." In the aftermath of Rachel's vicious attack, Lee and Kyle must once again pick up the pieces of their broken world and move forward. Through heartache and horror, they have finally put to rest the demons that have kept them apart in the past, but the pair face more tests as they struggle to deal with the public attack on their relationship, Rachel's letters from her jail cell, and a very depressed Derek. Pressure is building on the young couple as more secrets are exposed, and parents with untrustworthy agendas continue to meddle in their fragile relationship. The one thing they have now that they've never had before is each other. Little do they know that their greatest challenge is looming... Fall On Me is the third book of The Broken Series. Can two people who are so utterly broken survive their past?
