**Four Months of Terror: The True Story of a Family's Haunting (True Hauntings Book 1)** Rebecca Patrick-Howard

Newly re-edited for 2015, including new photos of the house today and an entirely new chapter of a story that's never been shared before!

In 1990 a single mother and her 10 year old daughter move into an old house in a quiet central Kentucky town. Their excitement of living in a piece of history fades, however, as they slowly become convinced there's something malevolent in the walls of their rental property. From the ghostly footsteps at night to the splatters of blood they wake up to, it becomes quite evident that they aren't in the house alone...

Although they only lived in the house for four months, for a child it was a time of chilling terror that she would never forget. In this short tale, Rebecca calls upon her child's memory to recollect the experiences of her time in the haunted house that still trouble her today.

\*\*One of the top true ghost stories and hauntings in the Occult and Ghosts & Haunted Houses categories, FOUR MONTHS OF TERROR was updated in 2015 to include new anecdotal evidence of the house, as communicated by another former resident.
