## **In Cold Blood** Human Rights Watch

This 23-page report documents more than a dozen incidents involving at least 101 victims since late 2011, many of them in March 2012. Human Rights Watch documented the involvement of Syrian forces and pro-government shabeeha militias in summary and extrajudicial executions in the governorates of Idlib and Homs. Government and pro-government forces not only executed opposition fighters they had captured, or who had otherwise stopped fighting and posed no threat, but also civilians who likewise posed no threat to the security forces.
