Three Billy Goats Gruff live on a hillside, and they are always hungry. One day, across the valley they see delicious looking green grass, and they decide to go there. But they have to cross an old bridge guarded by a terrible troll.

Retold in repetitive, and lively language, this classic tale invites young readers to read alone. Award-winning illustrator Ying-Hwa Hu's detailed and soft illustrations enrich the story the billy goats and troll come alive on each page. The humorous tale pulls in readers, curious to see the end, while the repetitive words help beginner readers build vocabulary.
