A woman fated to die. A vision that could save her ...

Nicolas Crystan, struggling to cope with his traumatic past, shuffles through life keeping mostly to himself ... until he has a disturbing daydream of a woman's death. At first he tries to forget it, but when real life mimics the daydream, he realises it was no ordinary fantasy--it was a vision of the future. To save a life, he must act fast.

When Juliet Maystone escapes death, defying fate, she becomes 'displaced' in this world. All she wants is to return to her bustling day-to-day routine, successfully running her own business, but as hard as she tries, she can't ignore that things have changed for her. She has to face up to the fact that being 'displaced' comes with an unexpected ability.

On Lansin Island, a quaint place with a dark history of its own, Nicolas and Juliet must learn to use their newfound abilities and work together to unravel a mystery more connected to Nicolas than he ever imagined ...
