Grow Your Band's Audience Joe Taylor Jr.

How much is your audience worth to your music career? Suppose you could fill the room at your next gig - without having to hang one flyer! Imagine. . . it's a year from today. You're standing backstage at the gig you've ALWAYS been meant to play. The folks in the audience are exactly who you want to hear YOUR music. And, best of all, you're getting paid! Sounds too good to be true? Well, it isn't! If you have the right strategy! Think about it. Your audience is the MOST important part of your future success. It doesn't matter what label you're on, how many music industry pros love your band, how well your album's been mixed, or how much money it took to get your song on the radio. Simply put, without an AUDIENCE that's willing to come out and watch you perform, you have no future in the entertainment industry.
