## **Hotel Chelsea** Victoria Cohen

- 83 stunning full-color, never-before-seen photographs of the iconic hotel's interiors
- Featuring a personal introduction by the photographer

Notorious as a refuge for the eccentric, the eclectic, and the creative, the Hotel Chelsea has been home to some of the great and unconventional writers, musicians, artists, and actors of the past century, including Bob Dylan, Janis Joplin, Charles Bukowski, and Allen Ginsburg, to name just a few. When the hotel was sold and closed for full renovations in August 2011, American photographer Victoria Cohen was invited to capture and document the essence of the building's original interior before its imminent demise. Cohen's photographs of these hallways, lobbies, and rooms, once beaming with life and vision, now bare and aged, illuminate a bohemian era that once was, speaking untold truths of a lost time.

Absolutely fascinating and bittersweet, *Hotel Chelsea* casts the historic landmark through the lens of the twenty-first century, exhibiting it as it has never been seen before, and will never be seen again.
