One Year Diary Kristen Good

In an age of easily deleted e-mails and text-messages, a diary provides permanency in a person's life. A well-kept diary contains interesting facts, personal insights, and fascinating bits of information, while actual handwriting provides familiarity missing in typed copy. Diaries provide excellent opportunities for children to practice their writing skills. As years pass, a diary grows in value, and is often used to verify dates or settle questions. The diaries are designed with a date at the top of each page. Each day consists of one full page. A Bible verse appears on each page of the diary, while in the back of each book, you will find an appendix for recording specific information.
