This book of essays is an attempt to revisit some of the well known events of our county's past, add a little more background, and present our history from a Blount County point of view. In addition to illuminating some familiar topics, this book attempts to bring to light people and events who played significant roles in the development of Blount, but were somehow overlooked or skimmed over by the primary reference books- people and events which were the topic of conversation among our ancestors but over time, have been forgotten.
