The Spanking of the Vanishing Hitchhiker Alexander Wilder

Brian Niles, self-declared spanko, is living in a quiet, pseudo-domestic discipline relationship with his boyfriend, Steve. Aside from liking to get his butt paddled on a regular basis, he's just an ordinary guy.

Until the night when he picks up a twenty-something year old hitchhiker who simply disappears from Brian's car. Haunted by the history of mental illness in his family, Brian is determined to solve the mystery of the vanishing hitchhiker, if only to prove his own sanity.

His quest leads him and his best friend, Freddie, to a closeted construction worker who reveals a horrifying 20-year-old secret. Now it's up to Brian to use that information to figure out what the ghost wants and give it to him so the tortured spirit can finally rest in peace.
