In the Making (Celebrity Sex Tape Book 1) Farrah Abraham

First in the Celebrity Sex Tape trilogy.

The journey...

Hot sex. A few thrills. A lot of tips and tricks. There has to be more to life than this, and I'm going to find it.

The woman...

I'm like every other person out there: I want to be loved and I want to be happy. But in the words of my best friend, I have to kiss a few frogs along the way. That's okay, I know what I want and I'm not afraid to go after it, to hell with what other people think. My name is Fallon Opal, and I'm not who everyone thinks I am.

The star...

To the world I'm another starlet gone crazy: always traveling, clubbing non-stop, and juggling drug problems and alcohol issues. The truth couldn't be further from that. I'm on a journey to find myself and I'm going to do it without shame—my way. Sometimes it feels like the world is against me but that won't stop me from getting mine.

An Exotika® contemporary erotica story from Ellora's Cave from the New York Times bestselling author and star of MTV's 16 and Pregnant, and Teen Mom.
