## **The Possum That Didn't** Frank Tashlin

There once was a happy little possum, the happiest animal in the entire forest, who always wore a great big smile. This jolly creature was content simply to hang by his tail from a tree until he was discovered by a group of picnickers. Mistaking the possum's upside-down smile for a frown, the people resolve to rescue him ? and they turn the little possum's world topsy-turvy.

Strikingly illustrated in black-and-white, this memorable satire of cultural intolerance was created by Frank Tashlin, the famed animator, film director, and author of *The Bear That Wasn't*. Readers of all ages will appreciate the book's message as well as its distinctive drawings.
