Tully Paullina Simons

The time is the late 1970s. The place is the windswept heartland of America. The woman is Tully-- defiant young rebel with an agonizing secret, devoted friend faced with a shattering betrayal, impassioned lover haunted by a man whose touch is more powerful than all her pain.

But in the years to come, beyond the torments and marvels of adolescence, into a world where men will vie for her and lie to her, Tully will dare to win everything, and risk losing it all, in one raw, reckless gamble of the heart.

From Paullina Simons comes an astonishing novel about passion and loss, love and revelation; about friendship that endures through lifetimes, and even beyond death; and about one unforgettable woman named Tully, struggling to make sense of it all.
