Renowned professional gambler John Patrick's classic book for the advanced Craps player..

JohnPatrick's Comment on Place Bets:

"One of the best bets in the whole casino is the Place Bets in Craps, whereby you can have the powerful 6 and 8 working for you every game. I go very deep into this aspect of the game."

Excerpt

"That's why I want you to pre-determine your series, incorporating an intelligent Up and Pull Series. Notice that the prior example allowed you to increase your wagers, while salting away profits. Every single hit should allow you to pull back something, regardless of the amount. That's why it is imperative that you learn both of these systems so that you can incorporate both the Up and Pull and Regression in the same series."

"The above message zeroes in on your handling of a Place Betting series, where the regression puts you into a no-lose situation and the 'Up and Pull' betting keeps kicking off additional profits.
