Having Your Baby Through Egg Donation is a comprehensive guide for those who are thinking of, or pursuing egg donation, as well as for those who are already parents through egg donation. It addresses the practical, financial, logistical, social and ethical questions that arise during the decision-making process. The book provides extensive information offered from a compassionate and hopeful perspective. The second edition has been revised to be helpful to readers worldwide. The authors have updated the book to include travel for egg donation, as well as acknowledgment of how the emerging field of epigenetics impacts our thinking and understanding of egg donation. In clear and sensitive language, this book provides information, understanding and guidance for prospective families and the professionals who support them in their journey.
