This book provides credible information about Jerusalem and its future prophecy.

This line of thought would persist through the years in many different forms, eventually leading to a replacement ideology that left Jerusalem out of future prophecy altogether.

“The World is God’s Footstool”. And even as millions pray for peace from among Judaism, Christianity and Islam, no matter what happens in the future, Jerusalem has been, and will remain, the center of the world and the center of God’s plan for humanity.
