Sounds of Wonder: Speaking in Tongues in the Catholic Tradition

Eddie Ensley

Sounds of Wonder: Speaking in Tongues in the Catholic Tradition Eddie Ensley

In *Sounds of Wonder* the author explores the sources and development of Catholic piety and finds significant signs that are the roots of Catholic Charismatic expressive prayer style. The history of Western music and liturgy as well as the form of popular piety reveal surprising precursors of today's "new" styles of prayer and worship. These traces of Catholic tradition form an important part of our spiritual heritage. This popular history will help present day Catholic Charismatics link their experience with a rich Catholic tradition. In turn, this tradition will deepen with rich, new understanding the expressive worship and glossolalia or praying in tongues of today's Charismatics.
