Strategic Planning and Management for Library Managers

Joseph R. Matthews

Strategic Planning and Management for Library Managers Joseph R. Matthews

Libraries enter into strategic planning by a variety of routes, from dynamic technology and rising costs to budget cuts and pressure for change. In this book, Joe Matthews guides library managers towards a greater understanding of the role and attendant responsibilities of strategic planning. Academic, public, and special librarians alike will benefit from Matthews' cogent explanations, real-life examples, and time-tested recommendations.

In the process, Matthews addresses such intrinsic questions as: Why is it important that I add strategic thinking to my managerial arsenal? How will strategic planning benefit my library, and is there more than one way to go about it? What is the best way of monitoring and updating our strategic plan for maximum effect? In each case, he debunks false impressions, attends to the goal of providing good service, and identifies at least one new way to communicate the library's strategic importance in the lives of its customers. Academic, public, and special librarians alike will benefit from Matthews' cogent explanations, real-life examples, and time-tested recommendations.

From reader reviews:

Vincent Baker:

Are you kind of hectic person, only have 10 or even 15 minute in your day time to upgrading your mind talent or thinking skill actually analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your short time to read it because this time you only find reserve that need more time to be go through. Strategic Planning and Management for Library Managers can be your answer mainly because it can be read by you who have those short free time problems.

Steven Peterson:

Is it anyone who having spare time then spend it whole day by simply watching television programs or just lying on the bed? Do you need something totally new? This Strategic Planning and Management for Library Managers can be the response, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these books have than the others?

Bonnie Lugo:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Strategic Planning and Management for Library Managers can make you sense more interested to read.

Luis Morales:

A number of people said that they feel weary when they reading a publication. They are directly felt the item when they get a half portions of the book. You can choose the particular book Strategic Planning and Management for Library Managers to make your personal reading is interesting. Your current skill of reading skill is developing when you just like reading. Try to choose simple book to make you enjoy to read it and mingle the sensation about book and reading especially. It is to be very first opinion for you to like to open a book and examine it. Beside that the reserve Strategic Planning and Management for Library Managers can to be your friend when you're experience alone and confuse with the information must you're doing of this time.
