The Air War (Shadows of the Apt Book 8) Adrian Tchaikovsky

AN EMPRESS DEMANDS HER BIRTHRIGHT

All is in turmoil as the world moves towards war. In Solarno, the spies watch each other and ready their knives, while Myna sees the troops muster at its border and emotions run high as it vows never to be enslaved again. In Collegium, the students argue politics, too late to turn the tide.

In the heart of the Empire, new pilots have completed their secretive training, generals are being recalled to service and armies are ready to march. Their Empress, the heir to two worlds, intends to claim her birthright. And nothing - either within the Empire or beyond it - will stand in her way.

A conflict is coming, the like of which the insect-kindens have never seen.
