## **The Christian Faith: A Systematic Theology for Pilgrims on the Way** Michael Horton

Michael Horton's highly anticipated *The Christian Faith* represents his magnum opus and will be viewed as one of—if not the—most important systematic theologies since Louis Berkhof wrote his in 1932. A prolific, award-winning author and theologian, Professor Horton views this volume as “doctrine that can be preached, experienced, and lived, as well as understood, clarified, and articulated.” It is written for a growing cast of pilgrims making their way together and will be especially welcomed by professors, pastors, students, and armchair theologians. Features of this volume include: (1) a brief synopsis of biblical passages that inform a particular doctrine; (2) surveys of past and current theologies with contemporary emphasis on exegetical, philosophical, practical, and theological questions; (3) substantial interaction with various Christian movements within the Protestant, Catholic and Orthodoxy traditions, as well as the hermeneutical issues raised by postmodernity; and (4) charts, sidebars, questions for discussion, and an extensive bibliography, divided into different entry levels and topics.
