The Secret Language of Sisters

Luanne Rice

The Secret Language of Sisters Luanne Rice

A gorgeous, unputdownable story of love, hope, and redemption.

When Ruth Ann (Roo) McCabe responds to a text message while she's driving, her life as she knows it ends. The car flips, and Roo winds up in a hospital bed, paralyzed. Silent. Everyone thinks she's in a coma, but Roo has locked-in syndrome — she can see and hear and understand everything around her, but no one knows it. She's trapped inside her own body, screaming to be heard.

Mathilda (Tilly) is Roo's sister and best friend. She was the one who texted Roo and inadvertently caused the accident. Now, Tilly must grapple with her overwhelming guilt and her growing feelings for Roo's boyfriend, Newton — the only other person who seems to get what Tilly is going through.

But Tilly might be the only person who can solve the mystery of her sister's condition — who can see through Roo's silence to the truth underneath.

Somehow, through medicine or miracles, will both sisters find a way to heal?

From reader reviews:

Monte Lawson:

In this 21st hundred years, people become competitive in most way. By being competitive right now, people have do something to make these survives, being in the middle of the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yep, by reading a reserve your ability to survive improve then having chance to endure than other is high. For you personally who want to start reading any book, we give you that The Secret Language of Sisters book as nice and daily reading book. Why, because this book is more than just a book.

Elida Allman:

Information is provisions for individuals to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is in the former life are hard to be find than now's taking seriously which one works to believe or which one typically the resource are convinced. If you obtain the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take The Secret Language of Sisters as the daily resource information.

Sandra Kelley:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Secret Language of Sisters can make you experience more interested to read.

Amy Gutierrez:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information from the book. Book is created or printed or descriptive from each source that will filled update of news. On this modern era like currently, many ways to get information are available for you. From media social including newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just in search of the The Secret Language of Sisters when you required it?
